**“Without RCE missionaries, our mission could not be accomplished. Through RCE and the powerful tool of education, we are bringing the Gospel to Quito and to the other nineteen countries represented in our student body.”**

Dr. Rohn Petersen  
Director  
The Alliance Academy; Quito, Ecuador

**“The most incredible factor is the feeling that my mission organization really cares about what I am doing and not that they ‘have to take care of me.’ Our hearts are fused in reaching these students with the love and power of Christ. For this backing and sign of care there is nothing to compare. Thank you RCE for helping us be the best we can be.”**
